Re: Website: Ronda asked a coworker if she would be interested in helping with the Forum. Maybe we could have target times we could use the forum.

Ronda B. would like help from Rob with this.

Tricia reported on a spring conference speaker, Paul Madson. She wondered if we might be interested in having him at some point.

This may be too close to April.

We need to prioritize and plan for the next conference.

Think of conference topic ideas.

Tracy has offered to give us a look at a brochure.
